At Epping Secondary College our relationships and behaviours are guided by the values **RESPECT, COMMITMENT, HONESTY, FAIRNESS AND PERSEVERANCE**

**Issue 1**

**Outstanding Academic Achievement!**

**DUX ATAR 97.1**

Epping Secondary College and the VCE Excellence Team including the hardworking and dedicated Year 12 teachers are very proud to announce that the Year 12 class of 2014 achieved outstanding VCE results. This holds our college amongst the highest achieving schools in our region. **Sachdave Singh**, one of the 2014 college captains achieved the highest **ATAR score that the college has ever seen** – 97.1, making him the DUX of 2014. In 2013 and 4 years preceding this, the college achieved an average study score of 26 with 25 being the state average. As a result of the dedication of all ESC staff and the perseverance and commitment to their studies by the students, the 2014 class achieved excellent results. The students must be congratulated on their efforts and how they conducted themselves through the entire year to ‘Strive for Excellence’. Special mentions must also be given to **Kyrstie Pagunsan** and **Saurabh Mehmi** for achieving ATARs over 90. **CONGRATULATIONS!**

- Tuesday 17: Student Leadership Induction 7pm
- Thursday 19: Careers Expo Pathways & VCAL
- Friday 20 - Monday 23: Studio Arts Camp
- Tuesday 24: OPEN NIGHT 7pm
- Friday 27: LAST DAY of TERM 1:00pm dismissal
Welcome back to all our students and staff and a very special welcome to our year 7 students as well as the many new students who are joining Epping SC for the first time. I hope that the festive season was a good one and that everyone was able to enjoy the holidays, spend quality time with family and friends as well as have some fun and relax.

I also hope that we have all returned energised and ready to take on the challenges and the many opportunities for growth that lie ahead. It is extremely important that we begin the new school year with some clear goals and a commitment to achieve our very best in everything we do. Students, teachers, staff and parents need to work together as a partnership and a team to make the year ahead a really good one, an enjoyable one and one that we can reflect on at the end of the year with pride and satisfaction.

Our VCE students achieved some outstanding results with more scores in the 90s, 80s and 70s than previous years. Our Dux Sachdave Singh achieved an ATAR score of 97.1 placing him in the nation’s top 3%. Overall the VCE mean study score is the highest (along with one other college) of the local state schools.

Over 90% of our students were successful in gaining their first preference and over 50% being offered a place at a university and 40% at TAFE.

The courses our students are undertaking at university include: Medical Science, Architecture, Animal and Veterinary Biosciences, Education, Law, Business, Science, Biomedical, Engineering, Psychology, Nursing/Midwifery, Health Sciences, Statistics, Creative Arts, Biological Studies, Management, Accounting/Finance, Fashion and Textiles, Criminal Justice, Administration, Advertising.

Last year Senior VCal (Victorian Certificate of Applied Learning) student outcomes were extremely positive, with many students going on to further study and a number of them rolling over into full time trainee and apprenticeships from their original School Based Apprenticeship positions. Placements included, horticulture, warehousing, event management, childcare, painting and decorating, hairdressing, fashion design as well as the business administration areas.

School Numbers
We start this school year with approximately 1000 students and 111 staff. We have increased yet again this year which is very positive and clearly shows that the college has a positive reputation in the local and wider community. The college has grown by over 200 students in the last 3 years. As a result of this further growth we have 2 new portables being installed for term 2.

We have welcomed six new staff members to the school and this information can be found on page 3. We are also happy to welcome back the following staff returning from leave: Catherine Baretta (Art) Rachel Ciavarella (Hums/Psych) Gabby Renda (Integration Aide)

SCHOOL GROUNDS AND FACILITIES IMPROVEMENTS
The refurbishment of the units has now been completed with the painting and carpeting of the Senior school unit and the Junior school offices during the holidays.

Pizza Oven
The college maintenance person Andrew Beale has begun building the Pizza Oven Kitchenette in line with the Health Department specifications. This will mean that the pizza materials and equipment can be housed in an appropriate environment and all the preparation can take place close to the oven. This is a major job and will not be completed till the end of term 1.

Grounds and Gardens
The two gardeners we have hired over the past two years have been very effective in keeping the gardens and lawns, weeded, mowed, planted and mulched. They were at school over the holidays regularly tending to the gardens and planting and have also set up sprinkler systems to keep some of the internal lawn areas green for student use.

Gymnasium floor
$20,000 was spent on upgrading the gymnasium floor and the end result is a top quality sporting facility for the students and local community to use.

More outdoor table settings have been installed around the school for students. The new settings have been placed around the basketball courts and oval which have become very popular areas for students during lunchtimes and recesses.

Helene Alamidis
PRINCIPAL
Epping Secondary College have a dedicated and hard working team approach to the wellbeing and learning of our students. The philosophy of the team is to work with and assist each and every student in supporting and preparing them for success whilst under our care.

We are acutely aware that in the time students are with us they will face many issues and problems, both from within the school structure and through their home life. It is the team’s role to develop processes and procedures that allow us to work closely with the student and their parents to find the best practical solutions. In many cases the team would meet with the parent, student and appropriate teacher and implement a student management plan.

An important part of our policies and procedures are those related to student attendance, lateness, uniform and of course behavioural expectations in the classroom and the school grounds. In all cases the procedures are there to ensure that our school runs as smoothly as possible and that we present a safe and enjoyable teaching and learning environment for all involved here at Epping Secondary College.

Please feel free in contacting any of the appropriate team members, if there is an issue we could assist your son or daughter with in their educational pathway here at Epping Secondary College.

Epping Secondary College  Learning for life
The 2015 year 11 and 12s year has begun on a positive note with a culture of ‘Striving for Excellence’ already taking place in the Senior Unit. The year 12s commenced their year with a specialised induction program running on day one. One hundred excited, slightly daunted and optimistic Year 12s began with an inspiring speech from their past college captain and 2014 DUX, Sachdave Singh. They then quickly delved into the busy life of a year 12 student going between literacy testing and an intensive English workshop. The day concluded with a BBQ and a mentor meet n greet where all year 12’s were introduced to their special mentor who will help guide them through their challenging yet rewarding final year.

On Wednesday 4th February, the VCE Excellence Team conducted a year 12 Parent Information Forum. This evening was a great success with over 100 parents and students in attendance. This forum gave parents the opportunity to be informed about important policies, procedures, programs and events that run at year 12 in order to support their child to reach their full potential in their final year of VCE studies. Parents were introduced to Ray Stevens the Senior School Assistance Principal, Tiffany Greenhill the Senior Year Leading Teacher for Student Achievement, Rohan Hose the Year 12 Coordinator and Dean Malcolm the Careers Coordinator. The feedback from parents and students who were in attendance was extremely positive. Thank-you to all parents and students who attended this evening. The college wishes you all the best in your final year at ESC.

The Year 11 Parent Information Forum will take place Wednesday 11th February (after this article goes to print). At this evening parents will also be informed about important policies, procedures, programs and events that run at year 11 in order to support their child to reach their full potential in their VCE studies. Parents will be introduced to Michelle Robertshawe the Year 11 Coordinator.

As a parent, if you have any questions or concerns regarding Year 11 or 12 please make contact with the supportive VCE team including:

- Michelle Robertshawe – Year 11 Coordinator
- Rohan Hose – Year 12 Coordinator
- Tiffany Greenhill – Senior Years Leading Teacher for Student Achievement
- Ray Steven – Senior School Assistant Principal
- Dean Malcolm – Careers Coordinator

Epping Secondary College Learning for life
Student leaders were taken on an intensive two day training camp at Anglesea where they were trained in leadership skills and were given a tool kit for them to use in their leadership roles in 2015. Students were also informed about our Positive Education move at Epping Secondary College and Russel spoke to students about them being the leaders in this very important move at ESC. We also undertook activities which pushed the boundaries and built resilience, bravery and determination in students.

Above in bold yellow is the motto our students came up with to live by as a collective leadership team in 2015. We spent much time developing this motto and it seems to be reflective of the strong and self-aware leaders we have. The students exceeded my expectations and were a pleasure to work with. They were exemplary in behavior and are extremely passionate and keen to start their Leadership roles and responsibilities this year. They all demonstrated excellent leadership capabilities and will make brilliant leaders.

I would like to thank Russel, Ned and Sara-Jane for attending the camp and helping support the running of the camp and were fabulous in exciting and energizing our students.

Sarah Dempster
Student Development Leading Teacher
February 2015

Epping Secondary College  Learning for life
Welcome to 2015. We’re year 7 students and we’re new to the school. It’s an amazing school. We’re very lucky to have such amazing teachers.

We were very drawn to such an amazing man named Jim Asimikopoulos. Jim was very inspiring and funny. He had such an incredible voice for someone with a disability. Today the five of us Twyla, Alex, Lindy, Thomas and Melanie learnt that everyone has a disability.

Everyone is unique in their own way and everybody is equal no matter what our appearances are. Everyone has their own way of achieving their goals and not being embarrassed about themselves.

Ever since the year sevens settled in, all the teachers have been making us comfortable. They have settled us into our classes and helped us with our lockers. We get the feeling they’re going to provide us with a great education.

We had fun listening and talking to Jim. We have definitely learnt a lot!

The feedback we gave to Jim Asimikopoulos was inspiring. Jim was overwhelmed with the feedback contents. Here’s what we said:

- **A disability is an achievement not yet achieved**
- **Just because your disabled doesn’t mean you’re not a person**
- **People with disabilities have secret abilities**
- **Everyone has the right to have feelings**
- **Everyone is special in their own way**

Thank you Jim for starting our secondary schooling with such an inspiring presentation.

We wish you all the best.

Sincerely,

E.S.C. Year 7
February 2015

Epping Secondary College  Learning for life
Dear parents,

Firstly, a huge welcome back to our students and we hope this year will be an extremely successful one for all. This notice is to inform all parents that instrumental lessons have officially begun with tuition in a range of instruments such as drums, guitar, voice (singing) bass guitar and piano (keyboards). A huge thank you to parents who have filled in the form and paid for tuition. Could parents, especially parents of our current Year 7 students, please be made aware that if you have given the office a form for your child to undertake Instrumental Music lessons with NO payment made, then your child has not been placed into the program. A number of parents have handed in the form expressing that their child would like to have lessons but have not made payments. It is important that the payment of $100.00 for semester 1 be paid to the office FIRST before students are given a timetable and commence lessons. The total amount for the year is $200.00 but parents can make semester payments. (Semester 1 $100.00 and Semester 2 $100.00). You DO NOT have to pay the full yearly amount but it is IMPERATIVE that one semester has been paid before receiving lessons ($100.00). All students who have paid have already been timetabled and are currently in the program. If you have filled in an enrolment form (especially parents of last years Grade 6 students) and your child has NOT begun lessons, or has not been approached by the Coordinator, then this means NO PAYMENT HAS BEEN RECEIVED.

For all other students, anyone wishing to begin Instrumental Music Lessons can come to the front office with their form and money and pay Michelle Muggivan direct. Students can collect an enrolment form which are kept near the front office (Camps and Excursion Notice Board) or they can simply ask the office for a form.

I wish all our students a great year ahead and great success with their Music Studies.

Any queries please feel free to contact Ross Talarico on 94012599 or email talarico.ross.r@edumail.vic.gov.au.

Mr Ross Talarico
Instrumental Music Coordinator

RIDE TO SCHOOL FRIDAY 13th MARCH

Epping Secondary College has a very secure and spacious bike shed where students can leave their bike.

ESC will be participating in Ride to School Day Friday, 13th March and we are aiming to achieve 50% of the school population using active transport. In the meantime all students are encouraged to ride and actively travel to school ie; walk, ride, scoot or skate.

Not only will riding to school allow you to reach your minimum 60 minutes of daily exercise but there are other benefits including:

- Students who actively travel arrive awake and alert, improving their concentration in class and ability to understand the curriculum
- Active transport can reduce congestion and parking problems, leading to healthier local environments and communities.
- Physically active students are healthier, happier and more socially connected
- Saves you and your parents money, less bus trips, petrol costs

If you want any assistance with riding to school or more information see your PE teacher or Mr. Biscaro (Junior)
**Schedule 4**

**Notice of election and call for nominations**

An election is to be conducted for members of the School Council of Epping Secondary College.

Nomination forms are included with this newsletter and may also be obtained from the school. Nominations must be lodged by 4pm on **Monday 2nd March**.

If an election is required the ballot will open at 9am on **Wednesday 4th March**.

The ballot will close at 4 pm on **Friday 13th March**.

Following the closing of nominations a list of the nominations received will be posted at the school and included in the newsletter.

The terms of office, membership categories and number of positions in each membership category open for election are as follows –

<table>
<thead>
<tr>
<th>Membership category</th>
<th>Term of office</th>
<th>Number of positions</th>
</tr>
</thead>
<tbody>
<tr>
<td>Parent member</td>
<td>From the day after the date of the declaration of the poll in 2013 to and inclusive of the date of the declaration of the poll in 2015*</td>
<td>4</td>
</tr>
<tr>
<td>DEECD employee member</td>
<td>From the day after the date of the declaration of the poll in 2013 to and inclusive of the date of the declaration of the poll in 2015*</td>
<td>1</td>
</tr>
</tbody>
</table>

If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school.

**Helene Alamidis**

**Principal**

Notes:

“Electorate of the school” means the DEECD employee electorate of the school and the Parent electorate of the school.

“Parent electorate of the school” means all persons (except the principal) who are Parents of students of the school, other than those who are DEECD employees and who opt or are deemed to opt in accordance with clause 22 to be members of the DEECD employee electorate of the school.

“DEECD employee electorate of the school” means the principal of the school and –

- DEECD employees engaged in work at and for the school (other than those who are Parents of students of the school and who neither opt nor are deemed to opt in accordance with clause 22 to be members of the DEECD employee electorate of the school); and
- other DEECD employees who are Parents of students of the school and who opt or are deemed to opt in accordance with clause 22 to be members of the DEECD employee electorate of the school.

4. “DEECD employee” -

(a) means a person employed for eight hours or more per week in either an on-going capacity or for a fixed term of at least 90 days -

- under the *Teaching Service Act 1981*; or
- by the DEECD under the *Public Sector Management and Employment Act 1998*; or
- by a school council of a State school; or
- under section 5 or 5A of the *Education Act 1958*; or
- under more than one of the paragraphs (i) to (iv) above, and

(b) does not mean a person employed, under a contract for service or the employees or the contracted personnel of such a person.

5. Votes may be posted to the principal or placed in the ballot box at the school on any day up to the closure of the ballot. Further details on how votes may be lodged will be provided when ballot papers are distributed.
School Council Elections

Schedule 5A  Self-Nomination Form for Parent Member Category

I wish to declare my candidacy for an elected position as a parent/guardian representative on the Epping Secondary College School Council.

Name……………………………………………………………………………………………………………………………………………………………………

Residential address …………………………………………………………………………………………………………………………………………………

……………………………………………………………………………………………………………………………………………………………………

Home telephone: ……………………………………

Business telephone: …………………………………………

Email: ………………………………………………………………………………………………………………………………………………………………………

I am the parent/guardian of ………………………………………., who is/are currently enrolled at this school.

I am an employee of the Department of Education and Early Childhood Development:

Yes  /   No   (please circle)

I am prepared to serve as a Parent member of the above-named school council. I hereby declare that I am not:

- an undischarged bankrupt
- of unsound mind
- currently serving a sentence for an indictable offence
- a registrable offender within the meaning of the Sex Offenders Registration Act 2004

Signature of Candidate: ……………………………………………   Date: …………

You will be notified when your nomination has been received.

Personal information provided in this form is collected as part of the school council election nomination process. The information may be used to determine your eligibility as a candidate. Your personal information may be disclosed as a result of inspection prior to the commencement of voting or at any time up to one year from the declaration of the poll.

Your name will be included in a list of school council candidates and nominators (where applicable) posted in a prominent position at the school and for candidates, on a ballot paper (where applicable).

Further, the name, membership category, gender, term of office, office held (if any) of school council members and notification whether the member is an employee of the Department will be forwarded to the Department of Education and Training by the principal by 30 April each year as a record of council membership and may be used for statistical purposes.

You can access your personal information by contacting the principal on 94012599.

If you choose not to give some or all of the information requested, your nomination may not be accepted. If you have any queries about the school council nomination process, please contact the principal.
Facts about students, health and active travel

Today the levels of physical activity are significantly low when compared to statistics 40 years ago. The Ride2School Team are working to reverse this trend. This infographic is designed to show the benefits of increased physical activity with students and the school community.

In the 1970s
8 out of 10
students rode or walked to school.
Today there are only
2 out of 10
TODAY

60 minutes
is the minimum daily requirement for physical activity for children under 18.

Students who actively travel,
arrive awake and alert, improving their concentration in class and ability to understand the curriculum.

Active Transport
can reduce congestion and parking problems, leading to healthier local environments and communities.

Schools that participate in the Ride2School program achieve an average of
5 in 10
students who actively travel to school.

Activity trend
Over the past 40 years the number of children who are physically active everyday has significantly dropped.

Physically active students are healthier, happier and more socially connected.

Getting children out of cars and into active transport is believed to be the most effective way to improve levels of physical activity.

About the Ride2School Program
The Ride2School Program is a behaviour change initiative that works to make active travel normal for students, while improving schools education outcomes. The program aims to tailor its assistance to suit the needs or overcome the barriers faced by each school.
