BYOD LAPTOP PROGRAM
"Bring Your Own Device"

Epping Secondary College 1:1 BYOD Computer program is an exciting opportunity to improve student engagement and promote even greater academic achievement, providing teachers and students new ways to learn and collaborate.

Our official BYOD partner for 2025 is Edunet. For their Parent Ordering Portal, click here:
https://esc.technologyportal.com.au/

edunet
technology for education

Here are some advantages when purchasing from our BYOD Suppliers:

BENEFITS:	RETAIL SHOP	BYOD SUPPLIER
ACCIDENTAL DAMAGE COVER	❌	✅ (LENOVO)
ONSITE VENDOR SUPPORT	❌	✅
EFFICIENT APP DEPLOYMENT	❌	✅

Chromebooks are not allowed at ESC as they are not compatible with Naplan, Office 365, Creative Cloud Apps & school printers.

For more information on the school's BYOD program, click here.

BYOD LAPTOP PROGRAM
"Bring Your Own Device"

While it is highly recommended to purchase through Edunet, if you wish to purchase elsewhere or already have a laptop, please ensure it meets the following:

- **Microsoft Windows Notebook with Windows 11**
- **Apple Macbook with latest MacOS**
- **Ram - Minimum 8GB**
- **Hard drive storage - Minimum 120GB but recommended 256GB+**

If a laptop does not meet these criteria it may result in laptop being denied.

While attending ESC all students have access to the following software supplied by the school free of charge
- **Microsoft Office (Word, Excel, Teams, Etc.)**
- **Adobe Cloud (Photoshop, illustrator Etc.)**
