

# WELCOME TO AERIS HOUSE

We get our name from the Latin word air which is no surprise because we are the life of Epping Secondary College, without us the school couldn't survive!

Like our mascot the Kookaburras, those in Aeris are all about community, happiness, and laughter. Although some might think we are care-free, we are always alert for new opportunities that come our way and are not scared to try new things. We symbolise adaptability, resilience, and the ability to overcome challenges. Our mascot serves as a reminder of our own capacity to adapt to changing circumstances and bounce back from adversity.

Being part of Aeris offers a unique opportunity for personal growth, friendship and teamwork. Throughout the year, we will be organising various events, competitions, and activities to help foster a sense of camaraderie and healthy competition among the other houses. Keep an eye out for updates and announcements regarding house challenges and celebrations! Keep in mind that individual recognition points now contribute to house points, so continue to show our college values of respect, resilience, and care so you can get house points in the everyday, not just at events.

Be sure to wear yellow when representing Aeris.  
We look forward to seeing you strive for excellence in your new house!

Fly high Aeris!
